"Hats Off to the Flag and the King"

It's the flag that will protect us,
It's the dear old red, white and blue;
For we'll live for it, we'll die for it,
For our home and our country, too;
So come boys, give three British cheers,
And let your voices ring.
Whil'st the Maple Leaf is our emblem dear,
Hats off to the Flag and the King.

"Hats Off To the Flag and the King," has an excellent group of words with a superior martial air.

"HOME AGAIN"

Home again! Home again,
That's the song we love to sing;
Gather round, gather round,
Come, let your voices ring;
We'll sing the old-time melodies,
The songs that bring back memories;
Home again! Home again,
That's the song of the world to me.

"Home Again"—featured by The Shrapnel Dodgers' Concert Co. and other returned heroes, is the best home song ever written. The sale of this song has broken all Canadian Records.
